The whole life of *one change* in Adspenta.

07:00

Adspenta reads the account. Spend is running 22% ahead of plan.

EXAMPLE

07:01

It suggests: lower the daily budget from €400 to €340. Here's why, with the numbers.

09:15

You read it. You say yes. (Or not now. Or never.)

09:15 TO 09:20

Five-minute take-back. Changed your mind? Undo.

09:20

The software sends the change, then checks the platform really made it. Sent is not done.

DAY 7 AND DAY 14

Did it work? Better, worse, no change, not enough data yet. Written next to the change.

One change. Nothing hidden.

Finds it. Fixes it. Proves it.
